Just in case they don't send you anything tonight, attached is the clean version that was sent to OGC this morning. Perhaps sends this to OMB if you don't get anything back from OGC tonight but let OMB we might have some small changes to it that will come later (I don't know if that is acceptable or not).

Hi Maria,

If anyone is still over in OGC working on Chapter 1, could you just ask them after they finish with their edits to send you a clean copy that you can send directly to OMB?

They have not gotten back to me. Tracy and Noelle have been sending other chapters but nothing about any further edits on the Authority chapter. It might be with Andy and Pradna.

Did OGC get back to you? If not, we need to cut them off also

Hi Joanne,

We are still waiting on Chapter 15 SNPRM and a return of Chapter 1 Legal Authority from OGC.

Maria – do you want to give a cut off time for when we have to get it to the contractor today or else they should check for it tomorrow?

Subject: SNPRM Purpose and Basis Chapter

Hey Cheryl,

Just touching base to inquire whether we can expect the subject document today so that you can get the combined NPRM/SNPRM Chapter to OMB today?

Thanks ahead of time.

Joanne.
